Question text

1. Class/Seminar Teacher Evaluation

This survey requests your feedback on two separate aspects of your learning experience, split into three sections. The first section asks for your views on your teacher's class/seminar teaching. The second section (overleaf) asks for your views on the course as a whole *at this point in time*. Finally, the third section asks for some information about you, to aid analysis.

Your responses will be used to identify areas of good practice. They will also be used to help improve the teaching and learning experience for you and your peers. Please complete the survey thoughtfully and constructively, marking one box for each question unless indicated otherwise.

Please rate your class/seminar teacher on the points below using the following scale: (1 – very good, 2 – good, 3 – average, 4 – poor, 5 – very poor, not applicable)

1.6) Provided helpful feedback on your work/performance

1.7) Improved your understanding of the course material

1.8) Please rate your own contribution to classes/seminars using the same scale

1.9) In general, how satisfied have you been so far with the class teaching on this course by this teacher?

1.10) Please write below aspects of this teacher's class/seminar teaching that you think could be improved and/or aspects that were particularly helpful.

I think Jesus is one of the best TAs I've had at the LSE. He shows you that he really cares about you understanding every piece of information he presents. He's very responsive to questions & he really tries so hard to push you towards understanding. He also uses so many real world examples to make things less abstract. He's extremely approachable & very

Work is based on the problem set; very clear and helpful use of lecture concepts and formulas to practical applications.
